

The Barrington Police Department is currently updating its' data base of Business and Residential alarm information. If you have a *monitored* alarm system, please take the time to download and fill out the [Business and Residential Emergency Alarm & Registration and Registration Form](#).

A monitored system is defined as a system for which you pay a service to monitor your home or business, and to notify the police or fire department in the event of an emergency.

The Emergency Alarm Information form takes just a few moments to fill out and will assist the Barrington Police Department in better serving you in the event of an emergency.

Please return the completed for to:

**Barrington Police Department
Records Division
